Kindergarten Writing Showcase

Dear Parents and Caregivers,

Over the last 4 weeks students have been working hard on the theme 'Good vs Evil'. Students have participated in a variety of engaging learning experiences and are now working on their own superhero stories. On **Thursday 4th July**, Kindergarten will be hosting a writing showcase. We invite families into the Kindergarten classrooms between **2.30-3pm** to listen to and read students' superhero stories. We also welcome families to an afternoon tea after the showcase. We look forward to seeing you all there!
