placement test  
11<sup>th</sup> - Ingleburn Alive  
14<sup>th</sup> Regional Swimming  
Bradbury

Welcome back to another exciting year at Sackville Street Public School. We were so pleased to see many happy faces ready to learn this morning. We welcomed many new students and their families to Sackville Street. In an upcoming newsletter we will advise you of permanent classes and teachers. For a short time, students are in temporary classes until all enrolments are finalised.

As always our school has many special events throughout the year. This year we include Sackville Street's 40<sup>th</sup> anniversary. We will form a committee of staff and interested parents to co-ordinate events for this special celebration.

We hope your child/children settle in to the new year quickly. If you have any concerns please see your child's teacher. If you need to see our Deputy or Principal please make an appointment at the office.

### Canteen News

As per our advice on social media, **the school canteen is closed** until further notice. Parents are required to provide lunches, drinks and all snacks for their children as there will be no facilities to purchase food. Our Stg 3 students will be selling ice blocks during recess breaks for 50c. We will advise you when the canteen will reopen.
